February Outdoor Learning Challenge

Make a Lunar New Year wish tree. Write your wish on a piece of card and hang on a tree. We'd love to see your pictures or videos on Evidence for Learning.

Thank you!

A huge thank you to one of our parents, Martin Fallon, who raised £885 for our school by doing Movember!

Thank you also to the Gestamp charity for their donation of £125.

Moments Matter, Attendance Counts!

Being in school every day that it is open, is important to your child's achievement, wellbeing, and their wider development. We understand that sometimes your child may be ill and unable to attend school, however face-to-face education is important in helping pupils to fulfil their potential.

When can my child be absent from school?

When you register your child at school, you have a legal duty to ensure your child attends that school regularly.

This means that your child must attend every day that the school is open, unless:

- Your child is too ill to attend that day.
- You have asked in advance and been given permission by the school for your child to be absent on that day due to exceptional circumstances.
- Your child cannot attend school on that day because it is a day you are taking part in religious observance
- Your local authority is responsible for arranging your child's transport to school and it is not available on that day or has not been provided yet

If your child needs to be absent from school for one of the reasons above, you should contact school as early as possible to explain why. If not, we will contact you on the first morning of their absence to find out why. If we are unable to contact you, we may be required to do a home visit to check everything is ok. If your child continues to be ill and unable to attend please keep school updated.

There may be barriers as to why your child is not attending school. In most cases, if your child's attendance level is falling, we will contact you to explore the reasons and discuss what can be done to help you overcome the barriers they are facing. As always, we are here to help and support you. Don't hesitate to contact us if you need anything.

Evidence for Learning

Please check the EfL app regularly to see all the lovely photos and videos of your child's learning each week. If you are having problems logging on, please contact Claire:

Wellbeing

At Evergreen, music is used in many ways. Some classes use music to segment the day and help pupils anticipate what is coming next. E.g. good morning routine, tidying up, lunch time, OPAL and home time. This helps some of our pupils stay calm and regulated.

'Music Jo' comes in on Fridays to work on a rota basis with classes to deliver high quality music lessons that engage and encourage learning, rhythm and creative skills.

We also have Music Therapy at Evergreen. Two wonderful music therapists come into school to deliver evidence based intensive interaction and musical exploration that really helps calm, settle and regulate those pupils who need it. They also work with pupils to build self esteem, confidence and communication. Every class is given an opportunity to experience music therapy and we are so thankful to have this wonderful Music team.

On Friday afternoons we run 'Musical Theatre'. We use music, dance and drama, across all classes to bring pupils together to produce a school production. This year's production is Matilda. The performance is planned for 1st and 2nd May at 5pm. Tickets will go on sale after Easter.
