## Yellow 5

This week Yellow 5 have been reading Oliver's vegetables. In Cookery we made our own salad and learned how to hold a knife safely. We chopped the vegetables to make a healthy salad.

## A trip on the train!

Green 2 picked a lovely sunny day to take the train from Bishop Auckland to the Locomotion Railway Museum at Shildon. It was a great opportunity for the children to experience using public transport and to enjoy their local community.

# WELLBEING

This Summer we are focusing on athletics in PE. At school this includes running, jumping and throwing. Its an ideal time to get out and about for wellbeing walks/trips out in wheelchairs, jumping in puddles/paddling and throwing balls and frisbees. Now that the weather is starting to get brighter, here are a few suggested places to go to enjoy the outside.

**Hamsterley Forest:** A fantastic, friendly spot featuring a dedicated new wellbeing area .

**Seaham Seafront & Marina:** Known for its welcoming atmosphere, the coastal path is high but the beach is wide and relaxing.

**The Story at Mount Oswald (Durham City):** Hosts free weekly,, walks for all abilities on Tuesdays at 10:00 am.

**Causey Arch Picnic Site:** A very quiet and scenic spot featuring a, walk to the historic bridge, a tea room, and a, ,accessible, flat route, making it perfect for a relaxed, and, nature-focused, stroll.

**Raby Castle Park and Gardens:** Offers extensive grounds for walking, with accessible routes available for wheelchairs and families, plus the chance to enjoy a, ,friendly, environment.

**Low Barns Nature Reserve:** A tranquil location run by the Durham Wildlife Trust, perfect for, wildlife spotting and a peaceful, nature walk.
